- (3) has a current ADM (as defined in IC 21-3-1.6-1.1) of at least eighteen thousand (18,000).

(b) A school corporation may, in compliance with this SECTION, make a one (1) time transfer of money in the school corporation's capital projects fund to the school general fund. To qualify for the transfer, the governing body of the school corporation must adopt a resolution:

- (1) after the state board of tax commissioners certifies the property tax rates to the county auditor for each county in which the school corporation is located; but
- (2) before June 1, 1996.

(c) The resolution must:

- (1) amend the plan adopted under IC 21-2-15-5;
- (2) specify the amount to be transferred from the capital projects fund to the school general fund;
- (3) provide that the transferred money may be used only for remedial summer or special schools;
- (4) provide that the money must be transferred from the capital projects fund to the school general fund not later than thirty (30) days after the state board of tax commissioners approves the transfer;
- (5) provide that the sum of the property tax rates for the school corporation's capital projects fund and the school corporation's general fund after a transfer occurs under this SECTION does not, as a result of the transfer, exceed the sum of the property tax rates that would have been imposed without the transfer under the plan adopted under IC 21-2-15-5; and
- (6) provide that the resolution is subject to approval by the state board of tax commissioners.

(d) The amount transferred under this SECTION may not exceed an amount equal to the property tax levy raised by a tax rate of ten cents (\$0.10) on each one hundred dollars (\$100) of assessed valuation.

(e) IC 21-2-15-10 does not apply to a resolution under this section.

(f) The school corporation shall submit the resolution adopted under this SECTION to the state board of tax commissioners for approval. The school corporation shall submit a copy of the school corporation's

amended capital projects fund plan to the state board of tax commissioners with the resolution.

(g) Not later than fifteen (15) business days after receipt of a resolution that is adopted in conformity with this SECTION, the state board of tax commissioners shall:

- (1) approve the resolution; and
- (2) transfer a copy of the resolution to the department of education.

(h) A school corporation may use money approved for transfer to the school general fund under this SECTION only:

- (1) for the purposes described in subsection (c)(3); and
- (2) after the money has been appropriated in a budget or supplemental budget under IC 6-1.1-17 or IC 6-1.1-18-5.

The money transferred under this SECTION shall be accounted for in a separate account in the school general fund.

(i) The amount of money transferred under this SECTION may not be considered in:

- (1) setting a school corporation's maximum ad valorem general fund property tax levy; or
- (2) determining the amount of any excise tax revenue (as defined in IC 21-3-1.7-2) distribution or state distribution, including distributions under IC 21-3.1.7, to the school corporation;

in any year. Any amounts distributed to the school corporation under IC 6-1.1-21 or another statute as a result of the levy for the capital projects fund of the money transferred under this SECTION shall be distributed to the capital projects fund and not the school general fund.

The sums herein appropriated to Indiana University, Purdue University, Indiana State University, University of Southern Indiana, Ball State University, Vincennes University, Indiana Vocational Technical College, and the Indiana Higher Education Telecommunications System (IHETS) are in addition to all income of said institutions and IHETS respectively from all permanent fees and endowments, and from all land grants, fees, earnings, and receipts, including gifts, grants, bequests, and devises, and receipts from any miscellaneous sales from whatever source derived.

All such income and all such fees, earnings, and receipts on hand June 30, 1995, and all such income and fees, earnings, and receipts accruing thereafter are hereby appropriated to the boards of trustees or directors of the aforementioned institutions and IHETS and may be expended for any necessary expenses of the respective institutions and IHETS, including university hospitals, schools of medicine, nurses' training school, school of dentistry, agricultural extension and experimental station. Provided, however, that such income, fees, earnings, and receipts may be used for land and structures only if approved by the governor and the budget agency.

The foregoing appropriations and allocations for fee replacement are for replacement of student fees deducted during the 1995-97 biennium to cover bond or lease-purchase principal, interest, and other obligations of debt costs of facility construction and acquisition for those projects authorized by the general assembly. These fee replacement appropriations and allocations shall be allotted by the budget agency after receipt of verification of payment of such debt cost expense.

The foregoing appropriations to Indiana University, Purdue University, Indiana State University, University of Southern Indiana, Ball State University, Vincennes University, Indiana Vocational Technical College, and IHETS include the employers' share of Social Security payments for university and IHETS employees under the public employees' retirement fund, or institutions covered by the Indiana state teachers' retirement fund. The funds appropriated also include funding for the employers' share of payments to the public employees' retirement fund, and to the Indiana state teachers' retirement fund at a rate to be established by the retirement funds for both fiscal years, for each institution and IHETS employees covered by these retirement plans.

The treasurers of Indiana University, Purdue University, Indiana State University, University of Southern Indiana, Ball State University, Vincennes University, and Indiana Vocational Technical College shall,

at the end of each three (3) month period, prepare and file with the auditor of state, a financial statement that shall show in total all revenues received from any source, together with a consolidated statement of disbursements for the same period, said statement to be in such form and such detail as directed by the budget director.

Said reports of the treasurer also shall contain in such form and in such detail as the governor and the budget agency may specify, complete information concerning receipts from all sources, together with any contracts, agreements, or arrangements with any federal agency, private foundation, corporation, or other entity from which such receipts accrue.

All such treasurers' reports shall be matters of public record, and shall include without limitation, a record of the purposes of any and all gifts and trusts with the sole exception of the names of those donors who request to remain anonymous.

Notwithstanding the provisions of IC 4-10-11, the auditor of state shall draw warrants to the treasurers of Indiana University, Purdue University, Indiana State University, University of Southern Indiana, Ball State University, and Indiana Vocational Technical College on the basis of vouchers stating the total amount claimed against each fund and/or account, but not to exceed the legally made appropriations. The operating money may be claimed on the basis of twelve (12) equal installments to be claimed monthly starting in July and ending in June of each fiscal year after allotment by the budget agency.

Notwithstanding the provisions of IC 4-12-1-14, for universities and colleges supported in whole or in part by state funds, grant applications and lists of applications need only be submitted upon request to the budget agency for review and approval or disapproval and, unless disapproved by the budget agency, federal grant funds may be requested and spent without approval by the budget agency. Each institution shall retain the applications for a reasonable period of time and submit a list of all grant applications, at least monthly, to the commission for higher education for informational purposes.

For all university special appropriations, a detailed itemization of intended expenditures, in such form as the governor and the budget agency may specify, shall be submitted to support the allotment request. All budget requests for university special appropriations shall be furnished in a like manner and as a part of the operating budgets of the state universities.

The trustees of Indiana University, the trustees of Purdue University, the trustees of Indiana State University, the trustees of University of Southern Indiana, the trustees of Ball State University, the trustees of Vincennes University, and the trustees of Indiana Vocational Technical College, and the directors of IHETS are hereby authorized to accept federal grants, subject to IC 4-12-1.
